

CHURCH & STATE WINES

2017 ROUSSANNE

STUNNING. EVOLVING. MEMORABLE.

Light yellow with a golden reflection, this wine is expressive on the nose with scents of ripe stone fruit, butter, almond, and vanilla. The palate has a soft round voluptuousness with a hint of acidity which carries the flavours and aromas through to the finish. This amazing wine is well paired with seafood cooked in cream or melted butter, and spices such as saffron and nutmeg.
