2016 SYRAH

BRIGHT. SMOOTH. SUBTLE.

This bright and vibrant wine is a rising star in our books, and will only show more personality with additional time in the bottle. Already, it is showing great character through its inky purple colour. Expect a bouquet of flavour on the nose including; dried fruits, subtle spice, leather and cedar. The velvety tannins are well balanced, finishing with a good amount of length. Cellar this wine for 1-3 years for the best tasting experience.
