VINTAGE

A warm January kicked off the 2016 season early with the Fechner Gewurztraminer again our first pick of the season on the 9th of February. Thankfully February's temperatures were milder than average allowing us to pick our Eden Valley vineyards with fully ripe flavours yet retain great natural acidity. A textbook Düfte vintage!

BLEND NOTES

The Fechner brothers' applauded vineyard is unique for both its spectacular aromatics and unique varietal mix. The blend is 39% hand picked, whole bunch pressed Riesling combined with 38% Gewürztraminer given 18 hours skin contact prior to pressing and 24% Kerner. The cold settled juice parcels were racked without fining prior to co-fermentation to maximise complexity.

TASTING NOTES

Düfte Punkt is an aromatic paradigm-shift. A seamless single-vineyard blend of precise Riesling, spicy Gewürztraminer, and textural Weißer Herold. Striking turkish delight aromas introduce a complex palate showing lychees, mandarins, minerality & lingering powder-puff florals.
