2015 CABERNET MERLOT

THE APPELLATION:
REDSTONE VINEYARD I VQA LINCOLN LAKESHORE

THE HARVEST:
Nov 18, 2015

THE VARIETAL PROFILE:
60% Cabernet Sauvignon
40% Merlot

THE NOTES:
In 2015, adequate heat units and careful harvest scheduling resulted in optimal maturity and great flavour development for our Bordeaux varietals. This classic blend was assembled from 60% Cabernet Sauvignon, 40% Merlot from 100% estate-grown fruit. The nose is expressive, the Merlot contributing vibrant red fruit — think strawberry, cherry and redcurrant — as well as darker notes of chocolate, baking spices and a touch of a eucalyptus from the Cabernet Sauvignon. Aged 18 months spent in French oak. This structured wine is certainly cellar-worthy and sure to delight for years to come!

THE PAIRINGS:
A perfect wine for the cold winter months and warmer summer months alike; it pairs wonderfully with your favourite stews and most of the comfort foods we love when it cools off, and is equally at home with all of your favourite summer BBQ fare. Try this one with a rib eye off the grill or even a humble burger.

THE CELLARING:
Drink now to 2023.

THE NOTES

pH	3.7
Total Acidity	6.30 g/l
Residual Sugar	0 g/l
Alcohol	14%
Brix at Harvest	25.2
Production	3,000
