

2014 MERLOT

THE APPELLATION:
REDSTONE VINEYARD | VQA LINCOLN LAKESHORE

THE HARVEST:
Nov 14, 2014

THE VARIETAL PROFILE:
100% Merlot

THE NOTES:
Named for its heavy red clay soil and large stones, the organically and biodynamically Redstone estate vineyard is perfect for maturing late-ripening varietals like Merlot. This is a bold Merlot of exceptional concentration. Beautifully rich and ripe, the nose is dominated by dark fleshy fruits — think black cherry and plum — as well as chocolate. Accompanied by savoury notes of coffee, cedar and hints of smoke and spice from 18 months spent in French oak.

THE PAIRINGS:
With its bold character and firm tannins, this structured wine is the perfect companion for well-seasoned meat and hearty dishes. Enjoy it with bacon-wrapped beef tenderloin, lamb and Guinness stew, or venison with a chocolate and blueberry reduction.

THE CELLARING:
Drink now to 2024
