"Sweet raspberry-jam biscuits. It's not an out-and-out 'sweet' sparkling rose but it has that accent for sure. It also has excellent intensity and very good length, aided entirely by the burst of sure-footed citrus and strawberry flavours running through-out. Thumbs up here. This is good. Delicious in fact."

"This has such elegance and completeness with a fresh-strawberry and light red-cherry nose, as well as pastry and fresh bread-dough elements. The palate has bright, zesty red-berry flavors and delivers a smoothly resolved and layered impression. Drink now."
