ASHTON HILLS VINEYARD

James Suckling Adelaide Hills Report, Nick Stock - JULY 2020

96 POINTS

“This has pristine aromas of red flowers, red cherries, pomegranate, orange zest and a thrillingly fresh overall impression that is driven by beautifully ripe pinot fruit. The palate is so succulent and smooth-honed with finely layered tannins delivering succulent, long and juicy impact on the finish. Impressive poise here. This is nicely tuned. Drink or hold. Screw cap.”
