

The Bosman family have a history of growing wine in the Bovelei of Wellington, dating back to 1810. Through eight generations they have worked hard to create a better life for all who live and work on the farm, rising to challenges and finding solutions, often in the unexpected.

Wine is made in their historic 260 year old cellar, but their approach is progressive and innovative: a plant improvement unit ensures that Bosman remains at the forefront of the development of new, clean plant material and varieties; while their vine nursery ensures a continuous supply of healthy rootstock and vines.

Their business model is both holistic and inclusive, fostering self-worth and investing in the potential of everyone.

Faith . Hope & Love

is the Bosman family motto, and it is a philosophy which the extended farm family live by every single day.

CABERNET SAUVIGNON 2015

"My Grandfather, Petrus Bosman, always spoke of the success he had with blending the wines of his time which was mainly Hermitage/Cinsaut with the relatively new Cabernet Sauvignon from the "Kabinet blok" (so named by the workers). He was convinced that the quality of the Cabernet Sauvignon from the Bovelei vineyards could lift the quality of the whole harvest..."
Eight generation Petrus Bosman on the heritage of Cabernet Sauvignon on the Bosman Adama farms.

Our vineyards lie in the shadow of the Limiet Mountain range on the south facing slopes of Green mountain which brings forth less direct sunlight. Vineyards which, because of the effect of south-easterly winds in early summer and south-westerly winds in late summer, give us smaller berries and a gentler ripening period.

ORIGIN	Wellington, South Africa.
VINEYARDS	From vineyards planted on deep red shale soils, and others planted on decomposed granite. This gives us a wonderful blend of rich succulent fruit characters and a lean minerality.
WINEMAKING	The berries are sorted before cold soaking, then the must is kept cool for two days followed by fermentation at relatively low temperatures. Punch-downs and pump-overs make for good colour extraction where after the wine spends 18 months maturing in small French oak barrels.
VARIETAL	100% Cabernet Sauvignon.
ANALYSIS	Alc 14.26% Vol R/Sugar 3.1g/l TA 6.1g/l pH3.52
COLOUR	Deep berry red with a purple rim.
NOSE	Elegant raspberry, blackberry and concentrated plum aromas. Slight pencil shaving notes.
PALATE	Beautiful mouth feel with a long fruit-crammed, persistent finish. Tannins are subtle and accessible.
FOOD	Pair with lamb casseroles, hearty stews or rare roast beef. A serious wine, true to its cultivar, to be enjoyed at special meals and occasions.
AGEING POTENTIAL	To be enjoyed 5-10 years after the year of vintage and for up to 10 years thereafter.
