

## 2014 THE ARMAGH SHIRAZ

The name of 'Armagh' was bestowed by the original Irish settlers who arrived in 1849 and named the lush, rolling hills after their homeland.

In 1968 the vineyard was planted by Jim Barry and yields less than two tonnes per acre. The soil is sandy gravel and receives an average rainfall of 600mm per year.

The vineyard lies on a north-west facing slope which acts as a natural sun trap, ensuring the fruit is always fully ripened when picked.

Wine has been flowing in the Clare Valley since 1851 and is an integral part of the culture. It is one of Australia's most prestigious premium wine regions, most famous for its Riesling and Shiraz. A small area, accounting for less than 1.5% of Australia's total wine production.

With its beautiful, rolling hills, ideal winter rainfall and Mediterranean climate, the Clare Valley carries a unique history and winemaking heritage.

### Winemaking Notes

Crimson red with a magenta hue in the glass, this wine opens with intense aromas of rich dark fruit, mocha, and garden herbs.

The palate displays rich black cherry and blackberry fruits with mocha like oak and hints of aniseed.

A wine of great complexity and power, finishing firm and oaky with persistent sweet fruit length.
