## WILD RED 2017

Wild by name, Wild by nature.

Meet the audacious younger sibling of Krinklewood.

Our Wild Red 2017 was created from two separate parcels of certified biodynamic Shiraz which was blended together to create an enjoyable yet engaging red wine.

### CHARACTERISTICS

The 2017 Wild Red is vibrant garnet red in colour, displaying enticing aromas of fresh cherries and plums with violets and a light earthy spice thanks to the aged French barrels this wine is matured in.

The medium bodied palate is elegant & well balanced making it the perfect wine to enjoy with food or just on its very own.
