**Winemaker's Comments**

The 2019 Grower's Blend Rosé is a Pinot Noir based blend with Cabernet Franc, Gamay Noir and Merlot. To impart structure and colour, it was made using a process called "saignée" though which we combine the free-run juice of select single-vineyard red grapes before they are pressed. The result is a beautiful coral coloured and aromatic Rose that is bursting with aromas of ripe strawberries, raspberries and blood orange. The palate is off-dry with flavours of honeydew melon, rhubarb and red cherries. This well-structured wine has crisp acidity and a satisfying finish.

**Food Pairings**

Rosé is always the easiest and most versatile wine to pair with. This wine is the perfect match for baked brie, charcuterie or asparagus quiche.
